## EXPERIENCE

INTERNSHIP | FRONT END DEVELOPER

February 2024 – March 2024

I worked as an intern under the front end developer. I build a website with the frameworks of HTML and CSS and the programming language of JS. This intern helped me a lot and gain a new experience and build my own strength.

## SKILLS

PROGRAMMING LANGUAGES

Java, Python

LIBRARIES/FRAMEWORKS

JavaScript, HTML, CSS, ReactJS

TOOLS / PLATFORMS

Git, Github

DATABASES

SQL, MongoDB

## PROJECTS / OPEN-SOURCE

MOISTURE DETECTION IN SANITARY PADS

C++

The IoT sensors embedded in the sanitary pads continuously monitor moisture levels. Once the predetermined limit is exceeded, a notification is instantly sent to the user's mobile device, ensuring timely and discreet awareness.
